HEAD START HEALTH SERVICES

IMMUNIZATION POLICY

Dear Parent/Guardian:

Your child's, _____ immunization record is either **incomplete or has not been received**.

According to 028 Pa. Code 27.77 of the PA Immunization Requirements, a complete immunization record **must** be on file in order for your child to remain in school.

If a temporary medical condition prevents your child from having a completed immunization record on file within the **first 60 days of school**, a Dr.'s note will be required and every 30 days thereafter until child is current on immunizations. If Dr. note is not provided, child will not be able to return to school.

This policy is instituted to comply with Head Start's New Performance Standards effective November 2016 and to protect the health of all HS/ EHS children.

If you need assistance completing these requirements, please speak with a Head Start staff member.

Thank you for cooperation in this matter.
